Dear UHS students and parents,

In a very short while, students who have been working extremely hard to finish their 12 years at Ukrainian Heritage School will be graduating. As tradition has it, the graduates and their families gather to celebrate this auspicious event at a banquet/zabava in their honor. The celebration, being held on May 19th of this year, is open to the public through ticket purchases.

The UHS underclassmen are also invited to celebrate their friends' accomplishments but must be accompanied by an adult chaperone. We would also like to make clear the following policies:

1. Any UHS student who consumes alcoholic beverages during the event faces expulsion.
2. Any UHS employee who supplies alcohol to a minor faces termination.
3. Any minor who consumes alcohol during the event will be asked to leave immediately.
4. Any adult providing alcohol to a minor will be subject to applicable legal action in addition to being asked to leave immediately.
5. Absolutely no privately obtained alcohol is permitted on the premises.

While the school event is not held during traditional school hours, the Maturalna Zabava is considered a school function and all normal school behavioral conduct rules apply here. We consider this a serious matter and want you to be advised that there will be security at this event.

We hope everyone who attends has a wonderful time!

Thank you.

Dr. Markian Shust
UHS President
