GOOGLE CLASSROOM

Getting started guide for
NURSH parents

Aug 2020

OVERVIEW

- Receiving your child's new username, password and classroom code
- Logging into Google Classroom
- Learning how to use Google Classroom
- Using Google Meet

5 MINUTE VERSION

For students that have used Google Classroom before.

1. You will receive an email with your child's NURSH.ORG email address and password.
2. Log into Google Classroom with your NURSH.ORG email
3. Join the Classroom code that is provided in your email.
4. We will use Google Meet for online meetings

DEVICE REQUIREMENTS

- We highly recommend you use Chrome as your browser. Firefox will also work.
- Many users have experienced problems with Safari, especially when using Google Meet. We recommend NOT using Safari.
- Chromebooks are fine.
- You **must** have a webcam and microphone on your device.

EMAIL WITH LOGIN INSTRUCTIONS

- You will receive an email from UHS (registration@ukrainianheritageschool.org).
- You will get a separate email for each student.
- Email will contain 3 pieces of information:
 1. Student's email address: taras.shevchenko@nursh.org
 2. Student's password
 3. Google Classroom code
- You may want to **print** this email for your records

Welcome to your new account

Welcome to your new account: classroom.administrator@nursh.org. Your account is compatible with many [Google services](#), but your nursh.org administrator decides which services you may access using your account. For tips about using your new account, visit the [Google Help Center](#).

When you use Google services, your domain administrator will have access to your classroom.administrator@nursh.org account information, including any data you store with this account in Google services. You can learn more [here](#), or by consulting your organization's privacy policy, if one exists. You can choose to maintain a separate account for your personal use of any Google services, including email. If you have multiple Google accounts, you can [manage which account you use](#) with Google services and [switch between them](#) whenever you choose. Your username and profile picture can help you ensure that you're using the intended account.

If your organization provides you access to the G Suite [core services](#), your use of those services is governed by your organization's G Suite agreement. Any other Google services your administrator enables ("Additional Services") are available to you under the [Google Terms of Service](#) and the [Google Privacy Policy](#). Certain Additional Services may also have [service-specific terms](#). Your use of any services your administrator allows you to access constitutes acceptance of applicable service-specific terms.

Click "Accept" below to indicate that you understand this description of how your classroom.administrator@nursh.org account works and agree to the [Google Terms of Service](#) and the [Google Privacy Policy](#).

THE NEXT FEW STEPS ARE OPTIONAL

- The next steps are optional, but recommended. In case you get locked out of your account (forgot password, etc) you can provide contact information for account recovery.
- You can add a recovery email, phone number, or both.
- Your recovery email is NOT your NURSH.ORG email address. It would be some other email, like a personal or work email.

SKIP RECOVERY INFORMATION

The screenshot shows a Google account recovery information screen. At the top left is the Google logo. Below it is the heading "Protect your account" followed by the email address "test.student3@nursh.org" with a small information icon. In the center is an illustration of a smartphone displaying a yellow padlock with a keyhole and a key below it. Below the illustration is the text: "Google can use these if you get locked out of your account or if we notice suspicious activity". There are two sections: "Recovery phone number" with the value "No phone number" and "Recovery email" with the value "No recovery email". At the bottom are two buttons: "UPDATE" on the left and "CONFIRM" on the right. An orange arrow points from the "CONFIRM" button to the text on the right.

If you don't want to add account recovery information, just click **CONFIRM**
